What has worked brilliantly

A review of 404 calls from 24–31 July 2026 showed three especially strong patterns:

Booking eligibility was checked before a reservation was made

A public guest requested a Sunday morning tee time. SpeakSport confirmed that the date was within the seven-day booking window, presented available times and completed the 6:45 AM 18-hole reservation.

"As a public guest, our tee times can be booked up to 7 days in advance ... August 2 falls within your booking window, so we're all set."

Call on 31 July at 9:38 PM

A foursome was converted to the latest available nearby option

When a four-player group requested 4:45 PM and that exact time was unavailable, SpeakSport presented the closest choices, explained that 4:30 PM was the latest option and confirmed the 18-hole booking.

"It looks like the latest available tee time for your group ... is 4:30 PM." The caller chose it, and SpeakSport confirmed the foursome.

Call on 30 July at 8:34 PM

A same-day request was completed with a close alternative

A two-player caller seeking approximately 3:30 PM that afternoon received a set of nearby tee times, selected 3:36 PM and received a confirmed 18-hole reservation during the call.

"We have tee times available at 3:18, 3:27, 3:36, and 3:45 this afternoon." The caller selected 3:36 PM.

What we have rolled out

We have continued strengthening the integrated experience around booking accuracy, reservation servicing and clearer operational insight.

Cancellations on the call. Golfers can now cancel eligible bookings directly with SpeakSport, reducing avoidable transfers and making it easier to release tee times promptly.

Stronger booking-eligibility verification. Booking windows, customer context and other applicable booking rules are checked before a reservation is created.

Upcoming-booking confirmations. When golfers ask about an upcoming reservation, SpeakSport can retrieve and confirm the booking details during the call.

Richer back-office reporting. The dashboard now supports filtering calls by intent, category and outcome, making performance patterns and operational opportunities easier to find.

Building the next chapter together

We will continue enriching SpeakSport with capabilities such as self-serve knowledge-base updates and even better reporting. We would love The Resort Golf Club to remain part of that journey—please keep sharing feedback, ideas and initiatives you would like us to explore.

NEAR-TERM DIRECTION

Self-serve knowledge base

Make it easier for your team to keep rates, policies, facility information and caller guidance current.

Even better reporting

Add clearer views of booking demand, eligibility, preferred playing times and caller outcomes.
